

# Meadowmat flowering times

## Birds & Bees Meadowmat

Aiming for maximum interest in your garden but with minimal maintenance? Garden Birds and Bees Meadowmat could be exactly what you're looking for.

We have put together a mix of 43 native British wildflowers and grasses that will encourage a wide variety of wildlife into your garden.

Flowering times vary according to weather conditions, microclimate, plant species and time of installation. Once established Birds and Bees Meadowmat has many features to actively support biodiversity.
